Last Week's Meeting

Our guest speaker last week was Carol Boatman, Executive Director of Every Nation Education, Inc. Carol presented the goal of ENE: to enhance the quality of education for underprivileged children in impoverished nations outside the USA. In addition, she showed a slide presentation of several needy countries ENE has visited, providing health care, education materials, and the Gospel message through its Christian workers. You can contact Carol for more information or to make a donation to Every Nation Education, Inc. by calling 910-980-1103, emailing her at carol@everynationeducation.org, or visiting them on the web at www.everynationeducation.org. ENE is located on 7160 Sherrill Baggett Road, Falcon, NC, 28342.

Murphey's Laws of Computing

1. When computing, whatever happens, behave as though you meant it to happen.
2. When you get to the point where you really understand your computer, it's probably obsolete.
3. The first place to look for information is in the section of the manual where you least expect to find it.
4. When the going gets tough, upgrade.
5. For every action, there is an equal and opposite malfunction.
6. To err is human . . . to blame your computer for your mistakes is even more human, it is downright natural.
7. He who laughs last probably made a back-up.
8. If at first you do not succeed, blame your computer.
9. A complex system that does not work is invariably found to have evolved from a simpler system that worked perfectly.
10. The number one cause of computer problems is computer solutions.

WHAT IS ROTARY SERVICE?

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
